Dear Mr. Hinton:

Re: CAD 008242711

We acknowledge your letter of November 18 requesting us to submit an Operating Plan for a Hazardous Waste Facility at our plant.

These facilities were closed by us last August in accordance with our Closure Plan and Procedure and notice to that effect was sent you on August 31, 1982. A copy of our letter of that date together with certification by an independent licensed professional engineer that closure was carried out in accordance with these procedures and your acknowledgement of receipt is enclosed for your information.

Very truly yours,

MONTROSE CHEMICAL CORPORATION
OF CALIFORNIA
